A Little Extra Advice From Our Staff:

- Ensure to show up 10 minutes before your appointment to sign in. Showing up late to your appointment will no longer guarantee we will be able to schedule you in.

- White or light coloured blouse with a collar is best.
 - Tank tops or V-neck t-shirts are an option if you want nothing to show underneath the gown!

- White or light coloured dress shirts with a darker coloured tie is also most formal.
 - Colour coordinate your tie with your department sash or bring a few with you and we'll help you choose, OR bring on the bowties!
- Please come with all your makeup applied as we are unable to offer our dressing rooms to get ready in. Please only bring essentials with you and come prepared.
 - Flyaway hairs can't be retouched, make sure to keep these down by using hairspray or bring a hairbrush with you.
- Ensure to try and keep the facial shine down as this is magnified in studio portraiture, don't forget powder or blotting papers!
